

Remote Work Policy

Document ID: HR-002 | Effective: January 1, 2026 | Owner: People & Culture

1. Purpose

Acme Corp supports flexible working where it benefits both the employee and the business. This policy sets out who can work remotely, the available work arrangements, and the support provided.

2. Eligibility

To be eligible for hybrid or fully remote work, an employee must (a) have completed 6 months of service, and (b) hold a role designated as remote-eligible by their Department Head.

3. Work Arrangements

Arrangement	Requirement	Approval needed
Office-based	5 days per week in the office	None
Hybrid	Minimum 3 days per week in the office. Tuesday, Wednesday and Thursday are core in-office days.	Direct manager
Fully remote	No regular office attendance. Must attend quarterly in-person team meetups.	VP approval, reviewed every 12 months

4. Core Hours

Remote and hybrid employees must be available and reachable between 10:00 and 15:00 in their local time zone on working days.

5. Home Office Support

5.1 Setup stipend: Hybrid and fully remote employees receive a one-time home-office setup stipend of \$500, which may be used for a desk, chair, monitor or similar equipment. The stipend is requested through PeopleHub, not through the ExpenseTrack system.

5.2 Internet allowance: Fully remote employees receive a monthly internet allowance of \$40. Hybrid employees are not eligible for this allowance.

5.3 Company laptop: Every employee receives a company laptop. It must be returned within 14 days of separation from the company.

6. Working From Another Country

Employees may work remotely from another country for up to 20 days per calendar year. Written approval is required at least 30 days in advance because of tax and legal implications. Working abroad without approval is a policy violation.

7. Information Security

- 7.1 A VPN must be used whenever accessing internal systems.
- 7.2 Public Wi-Fi may only be used together with the VPN.
- 7.3 Confidential documents must not be printed at home.
- 7.4 A lost or stolen company device must be reported to IT Security within 24 hours.

8. Exceptions

- 8.1 Customer Support roles: Customer Support employees work assigned shifts. The core hours in Section 4 do not apply to them; they must be available during their assigned shift instead.
- 8.2 Medical circumstances: With HR approval, an employee may work remotely on a temporary basis for up to 8 weeks for medical reasons. The 6-month service requirement in Section 2 is waived in this case.
